TRUCK BEDS®

2023 PARTS BOOK

PARTS BOOK OUR MISSION

CM Truck Beds is America's leader in flat deck truck bodies. One of the most important facets of buying a truck body is having the right parts to install the body. At CM Truck Beds, we have the parts you need to get the job done right. From install kits, wiring harnesses, and all aftermarket parts in between, we carry a wide variety of aftermarket truck equipment parts suitable for any upfit. Whether you are installing a bed, want aftermarket parts, or need to complete a repair, we carry the right solutions for you. We also offer many parts that fit other brands of flat deck and service bodies.

Should you have any questions about our parts or part fitment, don't hesitate to pick up the phone and reach out to our experienced team of parts professionals. Our knowledgeable staff stands ready to assist you in getting the right parts, on-time.

For questions, please contact us at 580.564.7537 or parts@cmtruckbeds.com.
