

ER STEEL HAULER BODY

For impressive durability, great functionality and eye-catching design with zero tradeoffs, the stylish ER models are the smart choice for your hauling needs. Premium features include a best-in-class tubular headache rack, lifetime warranty LED lighting, top-rated B&W hitches, and integrated toolboxes. If you are just hauling cargo on our deck, our structural runners, industry-leading treadplate decks, and raised side rails allow you to safely secure and haul the heavy loads. You can also get those loads secured easily with our airline track tiedowns in the front and rear of the bed.
