

ALFB ALUMINUM FIRE BRUSH TRUCK BED WITH MANWELL

The ALFB Aluminum Fire Brush Truck Bed delivers a best-in-class feature set built for the real demands of fire and rescue, featuring a one-piece aluminum tube headache rack, lifetime warranty LED smoke lights, and a rugged 1" extruded aluminum deck engineered for durability and long-term performance. Designed with upfit flexibility in mind, the deck allows for full customization - equipping your brush truck to meet the exact needs of your department - while an optional manwell on both the curbside and streetside enhances accessibility and functionality in the field.
