

FB STEEL FIRE BRUSH TRUCK BED WITH MANWELL

The FB Steel Fire Brush Truck Bed delivers a best-in-class feature set built for the real demands of fire and rescue, featuring a premium EpoxiShield powder coat, a one-piece steel tube headache rack, lifetime warranty LED smoke lights, and a rugged 11-gauge steel tread plate deck engineered for durability and long-term performance. Designed with upfit flexibility in mind, the deck allows for full customization—equipping your brush truck to meet the exact needs of your department—while an optional manwell on both the curbside and streetside enhances accessibility and functionality in the field.
