RD STEEL FLATDECK BODY

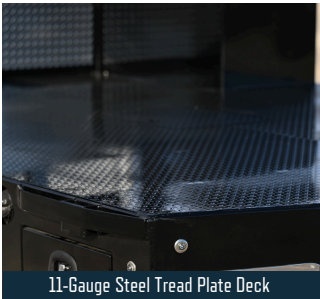

Tough enough to haul the big loads, the popular RD models are expertly designed, professional-grade workhorses that are sized to fit almost any unit. Premium features include a best-in-class tubular headache rack, lifetime warranty LED lighting, top-rated B&W hitches, and integrated toolboxes. If you want to maximize your towing capacity, look no further than our best-in-class 24.5K lb. B&W receiver hitch and our 30K lb. GN hitch. The RD Standard Steel Flat Deck is finished with our EpoxiShield® powder coat system – adding long-term protection against the daily wear, impacts, and jobsite abuse that come with real work.
