

SK STEEL SKIRTED BODY

Premium features on the SK model include a best-in-class tubular headache rack, lifetime warranty LED lighting, top-rated B&W hitches, and integrated toolboxes. If you want to maximize your towing capacity while looking the part, look no further than our best-in-class 24.5K lb. B&W receiver hitch and our 30K lb. GN hitch. The SK is finished with our EpoxiShield® powder coat system—providing long-term protection against corrosion, marring, and daily jobsite abuse. Trusted by fleets, commercial operators, and hardworking everyday users across North America, it's built to perform day in and day out.
